SPECIAL PROJECTS

Ms. Marsha Hinds
City of Tulsa
2317 South Jackson
Tulsa, OK 74107

Dear Ms. Hinds:

This is to acknowledge receipt of your request for permit modification dated August 6, 2015, to Department of the Army Permit Number SWT-2009-386. This permit authorized the construction of the North Tulsa Sports Complex at Mohawk Park. The project is located in Section 9, Township 20 North, Range 13 East, Tulsa, Tulsa County, Oklahoma.

We have reviewed the proposal that requested modification of the North Tulsa Sports Complex at Mohawk Park. The requested modifications were considered, but not approved. Please see attached list for approved tree and shrub species. All terms and conditions of the original and modified permit remain in full force and effect. Please make sure that you comply with these conditions during construction of this project.

You are reminded that it is your responsibility to complete the required compensatory mitigation as set forth in the Department of Army Permit SWT-2009-386. The work will not be considered fulfilled until you have demonstrated compensatory mitigation project success and have received written verification of that success from the U.S. Army Corps of Engineers.

If you have any questions on this matter, please contact Mrs. Lindsey Cooper of our Regulatory Office at 918-669-7400.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew R. Commer".

Andrew R. Commer
Chief, Regulatory Office
