Subject: RE: Volunteer Recognition

- We keep track of how much the volunteers work. At the end of each season in December and May we have a volunteer recognition dinner. Awards are handed out to volunteers based on how long they have volunteered. Usually certificates, artwork, handmade artwork items, t-shirts, and gift shop discounts.
- They get membership benefits too.
- They are invited to members only events.
- They each have a brass plate attached to a leaf that is placed on a stylized tree on a wall that shows how long each person has worked.
- We offer advanced nature related training classes to returning volunteers twice each year

Everybody needs beauty as well as bread, places to play in and pray in, where nature may heal and give strength to body and soul alike.

Subject: Volunteer Recognition

More CAPRA information needed.

What, if any, forms of recognition do either of you give to volunteers for their work with your programs and activities?

Thanks - Joe
