Subject: WaterWorks Volunteer Recognition

Our WaterWorks Art Center volunteers (mostly associated with the WaterWorks Advisory Council) are thanked verbally and by handwritten note. We are considering a “Volunteer Appreciation Day” in 2015 which may consist of a reception and an art lesson led by one of our instructors (an Art Party of sorts). All volunteers of the Wine & Art Pairing events are allowed to attend at no cost (a \$50 value) for their efforts in set-up and clean-up.

In 2014, the WaterWorks Advisory Council paid for the tickets of the potters who volunteered their time to make bowls donated to the “Empty Bowls” event in April hosted by the Community Food Bank of Northeast Oklahoma.
