Dear Volunteer

Welcome to the City of Tulsa's Park and Recreation Department. On behalf of the citizens of Tulsa, we would like to thank you for choosing to volunteer at one of our recreation centers. Our department is committed to offering quality leisure activities to the public. By generously dedicating your time we can offer more recreation programming in youth and adult sports, additional fitness and arts classes and more fully utilize our facilities.

We look forward to a positive experience for you and the many individuals that will be participating at the facility. We hope that your volunteer time in our parks is a rewarding experience and that you know your efforts are needed, appreciated and valued by the staff and patrons of our Tulsa Parks.

Thank you again for your time and efforts.
