

VOLUNTEER OPPORTUNITIES

The volunteers at Tulsa Garden Center are the mainstay of our operation. Our volunteers come with varying degrees of gardening experience (we'll even admit we've turned a few brown thumbs green over the years). Our volunteers are the reason for our continued success.

Ongoing Volunteer Opportunities:

- **Docents** -- for house, conservatory and gardens (weather permitting) -- tours are scheduled upon requests of clubs, schools or other groups. Training is provided.
- **Library** -- help patrons find information, check out/in materials for TGC members -- hours are 9am-4pm Monday-Friday (typing helpful but not necessary).
- **Mailing** -- help fold and label bulk mailings as needed.

Seasonal Volunteer Opportunities:

- **Rose Garden/Woodward Park** -- assist Park Department personnel from mid-April through October -- can be done at volunteer's convenience but some initial training is required.
- **Children's Programming** -- serve on steering committee; assist with planting gardens and programming...May and June

Special Events:

- **SpringFest** -- April - serve on steering committee; help solicit and receive plants, help set up market, work during sale days as cashier, vendor assistant, or "floater", help with clean up following sale.
- **An Evening of Wine and Roses** -- September - serve on steering committee; help on day and evening of the event.

Consider volunteering at Tulsa Garden Center. For more information call (918) 746-5136.
