Dear Chief Jordan:

The Tulsa Park and Recreation Department is seeking national agency accreditation.

One of the requirements for accreditation is for the Park Department to formalize the liaison assignments between our two organizations. Therefore, I would like to ask if you would select an officer from each division below to serve as the Tulsa Police Department liaison to the Park Department. In return, I will appoint Maintenance Manager Mike Battenfield to be the Park Department's liaison to the Police Department.

Mingo Valley Division- 10122 E. 11 Street CAPT. ERIC NELSON

Riverside Division-7515 S. Riverside Drive CAPT. PAUL FIELDS

Gilcrease Division-3436 N. Delaware CAPT DAVE ROBERTS

The Park Department has had a great relationship with the Police Department for years and we look forward to working together in the future.

If you are in agreement with this proposal, please fill in the officer's name and sign and date this letter and send it back to me for our files.

Thanks for all Your Help.
